

GRADUATE

Application Form

Combining transformative leadership and deep expertise, we are offering, depending on location, a one or two year graduate program to recipients meeting our eligibility criteria.

This is a unique opportunity for recipients to kick start a great career in the ultimate renewable industry of timber and forestry via;

- Exposure to the scope of our business and learning opportunities at the Green Triangle Region in Australia or the Nelson-Marlborough Region in New Zealand
- Development of leadership, decision-making and communication skills
- Access to mentoring; health and well-being initiatives
- The challenge to contribute at a high level
