

## OneFortyOne Community Grants Frequently Asked Questions

OneFortyOne is a forest industries business with softwood plantation forests and sawmills in Australia and New Zealand.

In Australia we operate in the Green Triangle region, an area that covers both South Australia and Victoria. In New Zealand we are work in the Nelson, Tasman and Marlborough regions, located at the top of the South Island.

We invite community members, groups and organisations from areas where we operate to approach us directly for support via the online application portal. We accept applications all year round and review applications as they are received.

Examples of the type of programs OneFortyOne supports include community events, environmental initiatives, school activities as well as equipment for hospitals, women's wellbeing workshops and Men's Sheds.
